Subject: Request for Extreme Hardship Waiver for Spouse

Dear Sir/Madam,

I am writing to request consideration for an extreme hardship waiver on behalf of my spouse, [Spouse's Full Name], who is currently facing the possibility of deportation. My name is [Your Full Name], and I am a U.S. citizen residing at the address mentioned above. My spouse and I have been married for [number] years, and during this time, we have built a life together that is deeply intertwined and essential to our well-being.

The prospect of my spouse's deportation imposes severe and insurmountable hardships on our family, both emotionally and financially. Below, I outline the various factors that contribute to this extreme hardship:

1. **Emotional Hardship:** The separation from my spouse would cause significant emotional distress for both of us. Our bond is strong, and the thought of living apart is unbearable. Additionally, our [number] children, aged [ages of children], are profoundly attached to [Spouse's Name] and would suffer immensely from the separation. The absence of a parent can lead to emotional and psychological issues for children, affecting their development and well-being.
2. **Financial Hardship:** My spouse is the primary breadwinner in our family, and their income is crucial for our financial stability. The loss of their income would make it impossible to meet our financial obligations, including mortgage payments, utility bills, and daily living expenses. As a result, our family would face severe economic challenges that could lead to homelessness and an inability to provide for our children.
3. **Medical Hardship:** [If applicable, describe any medical conditions that you or your children have and how your spouse's presence is critical for managing these

conditions]. For example: I suffer from [medical condition], which requires regular treatment and care. My spouse plays a vital role in assisting with my medical needs, including transportation to medical appointments and providing emotional support during treatments. Without my spouse, managing my health condition would become extremely difficult and could lead to deterioration in my health.

4. Community and Social Hardship: Our family is deeply rooted in our community. We actively participate in community events, volunteer activities, and our children are enrolled in local schools. The deportation of my spouse would not only disrupt our family unit but also remove a valuable member from our community, causing a ripple effect of emotional and social disruption.

In light of these hardships, I respectfully request that you grant the extreme hardship waiver for my spouse. We are a loving family, and our lives are intertwined in a way that makes separation unthinkable. The impact of deportation would be devastating for us, and we humbly ask for your compassion and understanding in this matter.

Thank you for your time and consideration.

Sincerely,

[Your Full Name]
